

# NEW GRAD PROGRAM:

## Why Vital Health?

Our Team Members are passionate about improving rural, remote and Indigenous access to health services. We are a modern, resourceful and supportive family run Private Practice. Be part of our community and make an impact on people's lives!

## Our New Grad Program:

On offer is a one - two year Rural Experience for new grad Physiotherapists, Occupational Therapists and Speech Pathologists starting on 16th January 2023. You will have the opportunity to work within a rural community alongside an experienced Multidisciplinary Allied Health Team including:

- Physiotherapy
- Exercise Physiology
- Dietetics
- Allied Health Assistant Support
- Speech Pathology
- Occupational Therapy
- Psychology
- Mental Health OT

## \$90k+ (base / super / incentives) + External PD allowance

Diverse client load: NDIS, ATSI, Paediatrics, Adults. Enquire for clinical case-load specific to your discipline and we can put you in touch with someone currently on our New Grad Program!

## New grad program starting on the 16th January 2023 includes:

- Paid Orientation and training
- Relocation allowance or support with accommodation
- In-house PD with the team members and ongoing peer support
- Clinical team meetings
- Clinical support and mentoring with a Senior Clinician
- Service delivery support (administration & procedures)
- Training in Indigenous Cultural Awareness and NDIS
- MD case conferencing for complex NDIS clients
- Internal NDIS Admin and Clinical support team
- Invitation to stay after your contract or relocate within Vital Health organisation

*"I have loved working at Vital Health in their New Grad program. Having a generalist caseload has helped me to develop my skills and confidence in treating a range of clinical areas. A varied caseload certainly keeps the days interesting! Working in a rural area has also shown me just how needed health professionals are in these areas and what a difference you can make. The team at Vital Health have been very welcoming and I have made many friends along the way."*

**Sophie, Speech Pathologist  
New Grad Program 2022**
